DEDICATION

We, the Senior Class of 1966, wish to pay tribute to the people of the Clearfield Community. For their loyal devotion and support to us in all that we have endeavored to do, we are sincerely grateful. To be a part of this community is indeed a privilege. It is with great pleasure that we the Senior Class dedicate the annual of 1966 to the Clearfield Community.

The Clearfield Community School Board received two new members this year. First, was Robert Thompson, as director to replace Phil Larson, whose term expired. Secondly, Mrs. Dorothy Routh as treasurer to complete the unexpired term of Audrey Nickle. They joined L. L. Siverly, Richard Larsen, Cecil Monk, Evelyn Morey, and Elton Brown of the 1965-66 school year.

This year the school board has had joint meetings with Diagonal and Lenox School Boards in an effort to familiarize themselves with other view points and to discuss mutual problems.

One of the major accomplishments of the school year was the installation of a new heating unit in the school plant.

SENIORS OF 1966:

Forget not that----

. . .commencement is a beginning. These years of preparation have not brought you to an end, but to a "commencement" in life.

. . .the most valuable result of all education is the ability to make yourself do the thing you have to do when it has to be done, whether you like it or not.

--Huxley

. . .to look is one thing. To see what you look at is another. To understand what you see is a third. To learn from what you understand is still something else. But to act on what you learn is what really matters.

--Educator's Dispatch

. . .as you commence your new lives, we'll all miss your personalities and abilities, but we proudly present you to the future and we wish you every happiness there.

Just to be different this year we thought
We'd try a new approach and jumble the lot.
From last to first we'll try our hand
And introduce to you the finest kids in the land.
We've tried to include their interests and traits.
And show you why we feel they really rate.

Mick could be called our class clown
Whenever something's up, he's always around.
When it comes to cars, he's really fiend
And puts out the greatest flying machines.
As for girls, well, that's another situation.
For ANY car he'd trade all the girls in the nation.

Our Ford man and class leader is no exception.
When it comes to work, John is in there pitchin'.
One of John's main concerns is Iowa State.
We know there he'll really rate.
He did a great job leading us in football,
And in the honor field he'll really make a haul.

Ann is the sparkling one of our class.
Never an opportunity to work did she pass.
In all activities she worked to the end
And always ends up as everyone's friend.
Her plans include nursing school next fall.
We know even there she'll have a ball.

One of the captains of our basketball team
Was Roe Sollars, whose one big dream
Is State U. Of Iowa where he can be found
Studying hard or driving around
In his big red Chevy with his little black bag
Behind the others he never will lag.

A Ford ally and friend to us all
Is a guy who really knows how to have a ball.
Toolin' around in his battered machine
Where all the raisin' is, Siv can be seen.
We're not just sure where Lawrence is headed yet,
But Norma will tell us, you can bet.

One of the late-comers to our class
Is one who every car tries to pass.
In our class play Denney did his bit
And threw in his lines to make it a hit.
Gedus keeps his teachers on their toes.
How far he can go, only he knows.

Dixie Parrish is a fair-haired girl
Who has a certain boy's heart in a whirl.
To Maryville she will head this fall
To learn to teach and have a ball.
With the bass clarinet she blows up a storm
And her attitude toward everyone is always warm.

For all the years she's lead her class
That's Becky Lyddon, our dark-haired lass.
In basketball and band she leads the pack
And a certain boy comes from Des Moines and back,
Just to see her, she's got him hooked.
At Cedar Falls next year she's booked.

And then there is Julia, always on the ball.
To the girls she's been a mother to all.
Always going to her for advice or tips,
But don't get us wrong, she can really let 'er rip.
When seen in her bomb heading for Gravity
In her path is the wrong place to be.

One of our class leaders, is our man Randy.
Whenever he's needed he's always handy.
In clarinet playing he did his part
And when it came to grades, he made the chart.
In Declam he took the lead
And a call from Cumberland makes him pay heed.

'Bert comes next in our line of friends.
With her it's hard to make amends.
With books and cants she has a world of her own,
Except for Jim, whose always on the phone.
In music she's one of the first to volunteer
And behind everything she's there with a cheer.

Scharri to most, Sharon to a few
When Dwayne's not around she really is blue.
To Ames with Mick and John she goes
To help the two study and watch out for beaus.
On the clarinet, in declam, and basketball too
Although always busy, she has time for you.

Gary is one of our more active in Scouts.
When it comes to cars he leaves no doubt.
That whatever he does, he always comes through
With an idea or something to do.
Because he seems to be on the go
Or with his trumpet that he really can blow.

Who is "Dimples"? Well, we all know.
It's Harlan Davenport always on the go.
Especially when it comes to a Junior gal.
Who has come to be much more than a pal.
When he's in his 50' Chevy bombin' around
You'd better be careful if you don't want run down.

When it comes to music, Ann Cordell is always ready.
Whether in the Band Hall or at the Inn doin' the Freddy.
Horses is something she really enjoys,
Next to her first and main interest of boys.
Her voice can be heard on the gymnasium floor
Leading our teams to victories galore.

A constant companion that can always be found
With Harlan in his pick-up boppin' around
Is "Coo", better known to us all.
With Connie he's always havin' a ball.
To trade school he this fall will go
To be a top-rate mechanic as we all know.

"Skeeter" to some, Marilyn to most.
About her figure she really can boast.
With Steve on one arm she really gets 'round.
At beauty school her real talent will be found.
Her laugh can be heard all over the school
She plays a clarinet that's really cool.

When there's work to be done Allen's always at hand.
He never was caught sleeping working in the stand.
In History he really did shine,
And in all other subjects he did exceptionally fine.
He doesn't talk much, lets the rest of us gab.
Some lucky girl he's liable to nab.

To the Inn on a honda we go with our Jean.
"Biggs" to us, if you know what we mean.
As one of our cheerleaders, she's always around,
Leaping and yelling when their man is downed.
To beauty school she goes in the city
To make her many customers look pretty.

B is for Barry, a declamatory star.
She loves Colorado, and she needn't go far
To find what she's wanting to do with her life.
She'll travel all over, but make a good wife
As annual co'editor she worked to the end
To make this book great, a memory of friends.

Just to be different we have Denny B. last.
In everything he really has a blast.
In football he found it easy to excel
Hitting south of town is something else he can do well.
His plans for the future are undecided as yet,
But Glenda will have a hand in them, that you can bet.

Well, that's our class, the great twenty-one.
We've enjoyed our school days and all the fun.
But, now it's our turn to leave Clearfield High.
We thought it'd never come, but time is nigh
And we're sorry now, that our school days went by
With so little thought. So with a sigh
If we leave nothing else to our classmates behind
We hope they value everything in school they can find.

CLASS HISTORY

On a rainy September morning in 1953, twenty-nine youngsters trotted up the steps of the big building that looked to us the largest in Iowa, but it was only the Clearfield Independent School. We were followed by our mothers, who were finally realizing their little darlings were growing up. They were Robert Adkisson, Jeani Beggs, Ronald Bolinger, Linda Breach, Allen Brown, Marilyn Brown, Larry Busby, Phyllis and Tommy Busby, Emily Campbell, Patty Cavner, Sammie England, Sharon Gardner, Gary Gaule, Sharon Juergens, Roberta Keller, Randy Larsen, Julia Longfellow, Becky Lyddon, Dixie Parrish, Kathy Rice, Gary and Larry Shaffer, Roe Sollars, Marianne and Suzanne Straight, Mary Wertz, Ann Whitmore, and Mick Wood.

We made it through first grade with Mrs. Monna Dennis and Superintendent E. Claire Henderson. Junior Marshall, Ann Cordell, and Lawrence Siverly were added to our enrollment, but we lost Ronald Bolinger and Robert Adkisson.

We entered second grade with twenty-eight pupils, because we lost Phyllis and Tommy Busby and Linda Breach, and added Patty Roach. Our teacher was Mrs. Hazel Conaway and E. Claire Henderson was still superintendent.

Time passes on and so do we to the third grade where Mrs. Reed taught us until the second semester when Mrs. Jessie Reynolds taught us. Patty Roach and Junior Marshall moved away, but Harlan Davenport came in from the country school.

When we entered fourth grade, Dennis Bailey was our only addition. Our teacher was Mrs. Marjorie Reynolds, and our superintendent was E. Claire Henderson.

Mrs. Claire Fellows met us as we entered the fifth grade. Kathy Rice moved to Cameron, Missouri, and Mary Wertz left for Mt. Ayr. Norma Barry, John Wilson, and Dennis Cooper joined us.

We moved across the hall to sixth grade with Mrs. Edra Neumeyer as teacher and L. N. Jackson as superintendent. Nancy Osborne joined us only to leave again in the middle of the year.

In seventh grade we were under the guidance of Mrs. Lola Monroe, with L. N. Jackson still superintendent. Our enrollment was still the same since Nancy joined us again.

In our last year of elementary schooling we were a class of twenty-eight since we lost Patty Cavner and Sharon Gardner. Our teacher was Mrs. Mildred Matthews and the superintendent was Mr. Hofmeister.

As we started high school, Mr. Hofmeister was our superintendent, and our teachers were Mr. Rood, Mr. Whitehead, Mr. Sullivan, Mr. Scarcliff, Mr. Pixley, Mr. Gotchall, Mrs. Eiler, and Mrs. Bailey. We had lost Nancy Osborne, Emily Campbell, and Larry Busby.

In our sophomore year we lost Suzanne Straight and Gary and Larry Shaffer and gained Dennis Perdew. Our superintendent was Mr. Hofmeister, and our teachers were Miss Stewart, Mrs. Kavan, Mr. Rood, Mr. Scarcliff, Mr. Whitehead, Mr. Pixley, Mr. Abbott, and Mr. Sullivan.

Our junior year we had lost Marianne Straight, and Sam England left in the middle of the year. Our new superintendent was Mr. W. E. Roberts, and our teachers were Mrs. Roberts, Mrs. Hill, Mrs. Stark, Miss Clutter, Mr. Rood, Mr. Scarcliff, Mr. Abbott, Mr. Burns, and Mr. Stephens.

Our senior year is now here. Our superintendent is Mr. Roberts, and our teachers are Mrs. Evans, Miss Schmidt, Mrs. Routh, Miss Clutter, Mr. Stephens, Mr. Scarcliff, Mr. DeVore, Mr. Burns, Mr. Danner, and Mr. Peterson.

Those who have attended all thirteen years at Clearfield Community School are Jeani Beggs, Allen Brown, Marilyn Brown, Gary Gaule, Sharon Juergens, Roberta Keller, Randy Larsen, Julia Longfellow, Becky Lyddon, Dixie Parrish, Roe Sollars, Ann Whitmore, and Mick Wood.

Those graduating from Clearfield Community School in 1966 are Dennis Bailey, Norma Barry, Jeani Beggs, Allen Brown, Marilyn Brown, Dennis Cooper, Ann Cordell, Harlan Davenport, Gary Gaule, Sharon Juergens, Roberta Keller, Randy Larsen, Julia Longfellow, Becky Lyddon, Dixie Parrish, Dennis Perdew, Lawrence Siverly, Roe Sollars, Ann Whitmore, John Wilson, and Mick Wood.

Under the sponsorship of Mr. Stephens, the eight class Presidents and Vice-Presidents were appointed to the positions of student council members. They have reviewed the operation of student councils in other schools; familiarized themselves with state and national procedures, meetings, and publications; drafted a constitution; and spent numerous hours discussing the responsibilities of the student council. The temporary officers for this year were John Wilson, President; Randy Larsen, Vice-President; and Glenda Thompson, Secretary-Treasurer.

When the Orioles reported for football, they were greeted by new Coach Justin Peterson. With three seniors, John Wilson, Dennis Bailey, Allen Brown, and only six returning lettermen, this was to be a rebuilding year.

Ending the year with a 0-7-2 record, the boys had to learn a lot of football. Although the boys were young and inexperienced, we did have five fellows over 200 lbs. to build a strong defense. Eighteen of the 21 lettermen will be returning next year so the boys are looking forward to next season. John Wilson was elected captain of this year's team.

Our record this year was 12 wins and 9 losses. This is quite a coincidence since our record last year was 12 and 9, also. Although our records were the same, we had a few different faces on the line-up this year. Becky Lyddon, Cindy Gordon, Colleen Wilson and Nancy Siverly were the forwards who saw the most action while Ann Whitmore, Norma Barry, Sharon Juergens, and Sheryl Siverly were the guards seeing the most action. Becky and Ann were chosen as captains of our team this year.

After losing our first six starters, Clearfield was rebuilding this year. The boys remember the old saying, "It matters not whether you win or lose, but how you play the game." The boys have learned that this is true, and they will show us how good they have really learned how to play basketball next year. All it takes is a little experience. Roe Sollars and Galen Baker were chosen as captains for this year.

Our cheerleaders did a wonderful job this year. Besides leading our pep squad at all the football and basketball games, the girls did a good job of decorating the schoolhouse whenever there was an occasion for decorating and organizing the pep meetings. Homecoming is always a big affair and most of the preparation for the snake dance and bonfire can be credited to the cheerleaders. Many thanks may be given to the girls this year and Mrs. Routh, their sponsor, for keeping Clearfield's school spirit alive and growing.

HOMECOMING

The 1965-66 Homecoming was a time of excitement and activities. The week before the big event was spent decorating the floats. On Thursday night before the game, a snake dance and pep rally around the roaring bonfire were held. The annual Homecoming parade took place Friday afternoon. The Senior's float with the theme "Smooth Sailing for Clearfield," won first place. Second place went to the Freshmen's float with the theme "We're Expecting a Victory." The Fourth grade float took third place with the theme "We'll Erase Them Off the Field." The Lion's pancake supper preceded the game. During the half-time ceremonies, Judy Nelson was crowned Homecoming Queen of 1965-66. Judy's attendants were Becky Lyddon and Marilyn Brown, seniors, and Cindy Gordon, a junior. The boys battled Murray to a scoreless tie. Following the game, everyone enjoyed dancing to the music of the Rising Suns in the gymnasium.

JUNIOR-SENIOR BANQUET AND PROM

The Junior-Senior Banquet and Prom was held on April 15, 1966. The big event began at 7:00 p. m. with a Grand March followed by a delicious dinner served by the junior mothers. Judy Nelson was master of ceremonies for the program which carried out the theme "Shangrila." There were speeches by the class presidents, a medley of songs by the junior girls, a skit by Georgie Bailey and Galen Baker, and other entertainment. From 9:00 p. m. to 12:00 p. m. we danced to the music of Art Reifsnyder. At 12:30 a. m. everyone went to the theater to see "The Americanization of Emily." From the theater we went back to the schoolhouse for a show put on by Jack Mills and his partner. At 4:30 a. m. the junior mothers served a light breakfast, concluding a very enjoyable evening.

GRADUATION EXERCISES

May 22, 1966, was the date of our Baccalaureate services this year. the address was given by Reverend Tschetter. His address was entitled, "Keep Fit," which was very appropriate for the occasion. Myra Mae Smith and the Brass Choir provided the entertainment for the evening.

Commencement followed on Wednesday, May 25, 1966. There were a few slight changes this year. One being the seating arrangement making two isles instead of one providing more seating capacity in the gymnasium and the other being that the seniors sat on chairs in front of the stage. The speaker for the evening was Otha D. Wearin. He was an exceptionally good speaker. The entertainment for the evening was provided by Nancy Siverly and the girls sextette. Mr. Stephens presented twenty-one seniors to L. L. Siverly, President of the school board, for their diplomas. Following this Mr. Stephens announced the Valedictorian, Becky Lyddon and the salutatorian, Dixie Parrish. Ann Whitmore received the Iowa Bar Association award and one of the Lionell scholarships. John Wilson received the other Lionell scholarship. Nancy Siverly was the underclassman given the citzenship award on class day on May 26, 1966. A special "thanks" is given to Linda Shum who played the processional at Baccalaureate, to Harriet Nelson who played the recessional at Baccalaureate and to Kathy Routh who played for us at commencement.
